WORK EXPERIENCE

Here are some of my accomplishments as a WordPress developer:

- Customized WordPress websites for Equity Tank and Eoan Enterprises, including development of a content management system, implementation of security measures, and optimization of performance.
- Collaborated with designers and developers to create visually appealing websites and web apps that are user-friendly.
- Created customized WordPress themes for various clients, ensuring seamless functionality and stunning designs.
- Optimized websites for mobile devices using responsive web design techniques, significantly improving user experience.
- Conducted extensive research and analysis of WordPress plugins, selecting and integrating the most suitable ones to enhance website performance and functionality. **Equity Tank** and **Eoan Enterprises**
